## 1. Aims

This policy aims to:

- › Create a positive culture that promotes excellent behaviour, ensuring that all students have the opportunity to learn in a calm, safe and supportive environment
- › Establish a whole-school approach to maintaining high standards of behaviour that reflect the values of LAMP
- › Outline the expectations and consequences of behaviour
- › Provide a consistent approach to behaviour management that is applied equally to all students
- › Define what we consider to be unacceptable behaviour, including bullying and discrimination

## 2. Legislation, statutory requirements and statutory guidance

This policy is based on legislation and advice from the Department for Education (DfE) on:

- › [Behaviour and discipline in schools: advice for headteachers and school staff, 2016](#)
- › [Behaviour in schools: advice for headteachers and school staff 2022](#)
- › [Searching, screening and confiscation at school 2018](#)
- › [Searching, screening and confiscation: advice for schools 2022](#)
- › [The Equality Act 2010](#)
- › [Keeping Children Safe in Education](#)
- › [Exclusion from maintained schools, academies and pupil referral units in England 2017](#)
- › [Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement - 2022](#)
- › [Use of reasonable force in schools](#)
- › [Supporting pupils with medical conditions at school](#)

It is also based on the [Special Educational Needs and Disability \(SEND\) Code of Practice](#).

In addition, this policy is based on:

- › Schedule 1 of the [Education \(Independent School Standards\) Regulations 2014](#); paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy

## 3. Definitions

**Misbehaviour** is defined as:

- › Disruption in lessons, in corridors between lessons, and at break and lunchtimes
- › Non-completion of classwork (dependent upon situation)
- › Poor attitude

**Serious misbehaviour** is defined as:

- › Repeated breaches of LAMP rules
- › Any form of bullying

- Sexual violence, such as rape, assault by penetration, or sexual assault (intentional sexual touching without consent)
- Sexual harassment, meaning unwanted conduct of a sexual nature, such as:
  - Sexual comments
  - Sexual jokes or taunting
  - Physical behaviour like interfering with clothes
  - Online sexual harassment, such as unwanted sexual comments and messages (including on social media), sharing of nude or semi-nude images and/or videos, or sharing of unwanted explicit content

- Theft
- Fighting
- Smoking
- Racist, sexist, homophobic or discriminatory behaviour
- Possession of any prohibited items. These are:
  - Knives or weapons

  - Fireworks
  - Pornographic images
  - Any article a staff member reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the pupil)

## 4. Bullying

**Bullying** is defined as the repetitive, intentional harming of 1 person or group by another person or group, where the relationship involves an imbalance of power.

Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying can include:

TYPE OF BULLYING	DEFINITION
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another's belongings, any use of violence

TYPE OF BULLYING	DEFINITION
Prejudice-based and discriminatory, including: <ul style="list-style-type: none"> <li>• Racial</li> <li>• Faith-based</li> <li>• Gendered (sexist)</li> <li>• Homophobic/biphobic</li> <li>• Transphobic</li> <li>• Disability-based</li> </ul>	Taunts, gestures, graffiti or physical abuse focused on a particular characteristic (e.g. gender, race, sexuality)
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, or inappropriate touching
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing
Cyber-bullying	Bullying that takes place online, such as through social networking sites, messaging apps or gaming sites

Details of LAMP’s approach to preventing and addressing bullying are set out in our anti-bullying strategy policy.

## 5. Roles and responsibilities

### 5.1 The governing board

The governing board is responsible for monitoring this behaviour policy’s effectiveness and holding the headteacher to account for its implementation.

### 5.2 The headteacher

The headteacher is responsible for:

- › Reviewing and approving this behaviour policy
- › Ensuring that the school environment encourages positive behaviour
- › Ensuring that staff deal effectively with poor behaviour
- › Monitoring how staff implement this policy to ensure rewards and sanctions are applied consistently to all groups of pupils
- › Ensuring that all staff understand the behavioural expectations and the importance of maintaining them
- › Providing new staff with a clear induction into the school’s behavioural culture to ensure they understand its rules and routines, and how best to support all students to participate fully
- › Offering appropriate training in behaviour management, and the impact of special educational needs and disabilities (SEND) and mental health needs on behaviour, to any staff who require it, so they can fulfil their duties set out in this policy
- › Ensuring this policy works alongside the safeguarding policy to offer students both sanctions and support when necessary
- › Ensuring that the data from the behaviour log is reviewed regularly, to make sure that no groups of students are being disproportionately impacted by this policy (see section 13.1)

### **5.3 Teachers and staff**

Staff are responsible for:

- › Creating a calm and safe environment for students
- › Establishing and maintaining clear boundaries of acceptable pupil behaviour
- › Implementing the behaviour policy consistently
- › Communicating the school's expectations, routines, values and standards through teaching behaviour and in every interaction with students
- › Modelling expected behaviour and positive relationships
- › Providing a personalised approach to the specific behavioural needs of particular students
- › Considering their own behaviour on the school culture and how they can uphold school rules and expectations
- › Recording behaviour incidents promptly (see appendix 3 for a behaviour log)
- › Challenging students to meet the school's expectations

The senior leadership team (SLT) will support staff in responding to behaviour incidents.

### **5.4 Parents and carers**

Parents and carers, where possible, should:

- › Get to know the school's behaviour policy and reinforce it at home where appropriate
- › Support their child in adhering to the school's behaviour policy
- › Inform the school of any changes in circumstances that may affect their child's behaviour
- › Discuss any behavioural concerns with the class teacher promptly
- › Take part in any pastoral work following misbehaviour (for example: attending reviews of specific behaviour interventions)
- › Raise any concerns about the management of behaviour with the school directly, whilst continuing to work in partnership with the school
- › Take part in the life of the school and its culture

The school will endeavour to build a positive relationship with parents and carers by keeping them informed about developments in their child's behaviour and the school's policy, and working in collaboration with them to tackle behavioural issues.

### **5.5 Students**

Students will be made aware of the following during their induction into the behaviour culture:

- › The expected standard of behaviour they should be displaying at school
- › That they have a duty to follow the behaviour policy
- › The school's key rules and routines
- › The rewards they can earn for meeting the behaviour standard, and the consequences they will face if they don't meet the standard
- › The pastoral support that is available to them to help them meet the behavioural standards

Students will be supported to meet the behaviour standards and will be provided with repeated induction sessions wherever appropriate.

Students will be supported to develop an understanding of the LAMP's behaviour policy and wider culture.

Students will be asked to give feedback on their experience of the behaviour culture to support the evaluation, improvement and implementation of the behaviour policy.

## 6. School behaviour curriculum

LAMP's low sensory environment is designed to minimise the previous 'environmental led' behaviour that some of our students may have exhibited in their mainstream schools. It provides a calm, nurturing and supportive approach which engenders good behaviour

Students are expected to:

- Behave in an orderly way
- Show respect to members of staff and each other
- In class, make it possible for all students to learn
- Treat the buildings and property with respect
- Refrain from behaving in a way that brings the school into disrepute, including when outside school or online

Where appropriate and reasonable, LAMP makes adjustments to routines within the curriculum to ensure all students can meet behavioural expectations in the curriculum.

### 6.1 Mobile phones

- Students are allowed to have mobile phones with them on-site
- Students can use them during the school day
- use during lesson times is discouraged

## 7. Responding to behaviour

### 7.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school.

They will:

- Create and maintain a stimulating environment that encourages students to be engaged
- Develop a positive relationship with students, which may include:
  - Greeting students at the start of lessons
  - Establishing and maintaining clear routines
  - Communicating expectations of behaviour in ways other than verbally
  - Concluding the day positively and starting the next day afresh
  - Having a plan for dealing with low-level disruption
  - Using positive reinforcement
  - Using restorative justice

### 7.2 Safeguarding

LAMP recognises that changes in behaviour may be an indicator that a student is in need of help or protection.

We will consider whether a student's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information.

### **7.3 Responding to good behaviour**

When a student's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition. This provides an opportunity for all staff to reinforce the school's culture and ethos.

Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations and norms of the school's behaviour culture.

Positive behaviour will be rewarded with:

- Verbal praise
- Communicating praise to parents via a phone call or written correspondence
- Certificates,

### **7.4 Responding to misbehaviour**

When a student's behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so students know with certainty that misbehaviour will always be addressed.

De-escalation techniques can be used to help prevent further behaviour issues arising, such as the use of pre-arranged scripts and phrases.

All students will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified and taken into account.

When giving behaviour sanctions, staff will also consider what support could be offered to a student to help them to meet behaviour standards in the future.

LAMP may use 1 or more of the following sanctions in response to unacceptable behaviour:

- › Sending the student out of the class
- › A verbal reprimand or reminder of the expectations of behaviour
- › Referring the student to a senior member of staff
- › Letter or phone call home to parents
- › Agreeing a behaviour contract
- › Removal of the student from the classroom
- › Suspension/ fixed term exclusion
- › Permanent exclusions, in the most serious of circumstances

Personal circumstances of the student will be taken into account when choosing sanctions and decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

## 7.5 Reasonable force

Reasonable force covers a range of interventions that involve physical contact with students. All members of staff have a duty to use reasonable force, in the following circumstances, to prevent a student from:

- Causing disorder
- Hurting themselves or others
- Damaging property
- Committing an offence

Incidents of reasonable force must:

- Always be used as a last resort
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents (see appendix 3 for a behaviour log)

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the student, including SEND, mental health needs or medical conditions.

## 7.6 Confiscation, searches, screening

Searching, screening and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

### Confiscation

Any prohibited items (listed in section 3) found in a student's possession as a result of a search will be confiscated. These items will not be returned to the pupil.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to students after discussion with senior leaders and parents, if appropriate.

### Searching a student

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the students, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the student can carry out a search without another member of staff as a witness if:

- The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; **and**
- In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the student; **or**
- It is not reasonably practicable for the search to be carried out in the presence of another member of staff

When an authorised member of staff conducts a search without a witness they should immediately report this to another member of staff, and ensure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but is not required urgently, they will seek the advice of the headteacher, designated safeguarding lead (or deputy) or pastoral member of staff who

may have more information about the student. During this time the student will be supervised and kept away from other students .

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the student is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the student has agreed.

An appropriate location for the search will be found. Where possible, this will be away from other students. The search will only take place on the school premises or where the member of staff has lawful control or charge of the student, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- › Assess whether there is an urgent need for a search
- › Assess whether not doing the search would put other students or staff at risk
- › Consider whether the search would pose a safeguarding risk to the student
- › Explain to the student why they are being searched
- › Explain to the student what a search entails – e.g. I will ask you to turn out your pockets and remove your scarf
- › Explain how and where the search will be carried out
- › Give the student the opportunity to ask questions
- › Seek the student's co-operation

If the student refuses to agree to a search, the member of staff can give an appropriate behaviour sanction.

If they still refuse to co-operate, the member of staff will contact the DSL or DDSL to try and determine why the student is refusing to comply.

The authorised member of staff will then decide whether to use reasonable force to search the student. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the student harming themselves or others, damaging property or from causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items identified in section 3, but not to search for items that are only identified in the school rules.

The authorised member of staff may use a metal detector to assist with the search.

An authorised member of staff may search a student's outer clothing, pockets, possessions, desks or lockers.

Outer clothing includes:

- › Any item of clothing that is not worn immediately over a garment that is being worn wholly next to the skin or being worn as underwear (e.g. a jumper or jacket being worn over a t-shirt)
- › Hats, scarves, gloves, shoes, boots

### **Searching students' possessions**

Possessions means any items that the student has or appears to have control of, including:

- › Desks
- › Lockers
- › Bags

A student's possessions can be searched for any item if the student agrees to the search. If the student does not agree to the search, staff can still carry out a search for prohibited items (listed in section 3) and items identified in the school rules.

An authorised member of staff can search a student's possessions when the pupil and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

### **Informing the designated safeguarding lead (DSL)**

The staff member who carried out the search should inform the DSL without delay:

- Of any incidents where the member of staff had reasonable grounds to suspect a student was in possession of a prohibited item as listed in section 3
- If they believe that a search has revealed a safeguarding risk

All searches for prohibited items (listed in section 3), including incidents where no items were found, will be recorded in the school's safeguarding system.

### **Informing parents**

Parents will always be informed of any search for a prohibited item (listed in section 3). A member of staff will tell the parents as soon as is reasonably practicable:

- What happened
- What was found, if anything
- What has been confiscated, if anything
- What action the school has taken, including any sanctions that have been applied to their child

### **Support after a search**

Irrespective of whether any items are found as the result of any search, the school will consider whether the student may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider if pastoral support, an early help intervention or a referral to children's social care is appropriate.

### **Strip searches**

The authorised member of staff's power to search outlined above does not enable them to conduct a strip search (removing more than the outer clothing) and strip searches on school premises shall only be carried out by police officers in accordance with the Police and Criminal Evidence Act 1984 (PACE) Code C.

Before calling the police into school, staff will assess and balance the risk of a potential strip search on the student's mental and physical wellbeing and the risk of not recovering the suspected item.

Staff will consider whether introducing the potential for a strip search through police involvement is absolutely necessary, and will always ensure that other appropriate, less invasive approaches have been exhausted first.

Once the police are on school premises, the decision on whether to conduct a strip search lies solely with them. The school will advocate for the safety and wellbeing of the pupil(s) involved. Staff retain a duty of care to the student involved and should advocate for student wellbeing at all times.

## **Communication and record-keeping**

Where reasonably possible and unless there is an immediate risk of harm, staff will contact at least 1 of the student's parents to inform them that the police are going to strip search the student before strip search takes place, and ask them if they would like to come into school to act as the student's appropriate adult. If the school can't get in touch with the parents, or they aren't able to come into school to act as the appropriate adult, a member of staff can act as the appropriate adult (see below for the role of the appropriate adult).

The student's parents will always be informed by a staff member once a strip search has taken place. The school will keep records of strip searches that have been conducted on school premises, and monitor them for any trends that emerge.

### **Who will be present**

For any strip search that involves exposure of intimate body parts, there will be at least 2 people present other than the student, except in urgent cases where there is risk of serious harm to the student or others.

One of these must be the appropriate adult, except if:

- The student explicitly states in the presence of an appropriate adult that they do not want an appropriate adult to be present during the search, **and**
- The appropriate adult agrees

If this is the case, a record will be made of the student's decision and it will be signed by the appropriate adult.

No more than 2 people other than the student and appropriate adult will be present, except in the most exceptional circumstances.

The appropriate adult will:

- Act to safeguard the rights, entitlement and welfare of the student
- Not be a police officer or otherwise associated with the police
- Not be the headteacher
- Be of the same sex as the student, unless the student specifically requests an adult who is not of the same sex

Except for an appropriate adult of a different sex if the pupil specifically requests it, no one of a different sex will be permitted to be present and the search will not be carried out anywhere where the student could be seen by anyone else.

### **Care after a strip search**

After any strip search, the student will be given appropriate support, irrespective of whether any suspected item is found. The student will also be given the opportunity to express their views about the strip search and the events surrounding it.

As with other searches, the school will consider whether the student may be suffering or likely to suffer harm and whether any further specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

Staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider if, in addition to pastoral support, an early help intervention or a referral to children's social care is appropriate.

Any student(s) who have been strip searched more than once and/or groups of students who may be more likely to be subject to strip searching will be given particular consideration, and staff will consider any preventative approaches that can be taken

## 7.7 Off-site misbehaviour

Sanctions may be applied where a student has misbehaved off-site when representing the school. This means misbehaviour when the student is:

- Taking part in any school-organised or school-related activity (e.g. school trips, concerts, shows)
- Travelling to or from school
- In any other way identifiable as a student of our school

Sanctions may also be applied where a student has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another student
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the student is under the lawful control of a staff member (e.g. on a school-organised trip).

## 7.8 Online misbehaviour

The school can issue behaviour sanctions to students for online misbehaviour when:

- It poses a threat or causes harm to another student
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The student is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the student is under the lawful control of a staff member.

## 7.9 Suspected criminal behaviour

If a student is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the directors will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

## 7.10 Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Students are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
  - Manage the incident internally
  - Refer to early help
  - Refer to children's social care
  - Report to the police

Please refer to our child protection and safeguarding policy for more information

## **7.11 Malicious allegations**

Where a student makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the student in accordance with this policy.

Where a student makes an allegation of sexual violence or sexual harassment against another student and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the student in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the student who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other pupils.

## **8. Serious sanctions**

### **8.1 Removal from classrooms**

In response to serious or persistent breaches of this policy, the school may remove the student from the classroom for a limited time.

Students who have been removed will continue to receive education under the supervision of a member of staff that is meaningful, but it may differ from the mainstream curriculum.

Removal is a serious sanction and will only be used in response to serious misbehaviour. Staff will only remove students from the classroom once other behavioural strategies have been attempted, unless the behaviour is so extreme as to warrant immediate removal.

Removal can be used to:

- › Restore order if the student is being unreasonably disruptive
- › Maintain the safety of all students
- › Allow the disruptive student to continue their learning in a managed environment
- › Allow the disruptive student to regain calm in a safe space

students who have been removed from the classroom will sit in the lounge area and are supervised by the SLT. Removal will normally be for the remainder of the lesson.

Students will not be removed from classrooms for prolonged periods of time without the explicit agreement of the headteacher.

students should be reintegrated into the classroom as soon as appropriate and safe to do so. The school will consider what support is needed to help a student successfully reintegrate into the classroom and meet the expected standards of behaviour.

Parents will be informed on the same day that their child is removed from the classroom.

The school will consider an alternative approach to behaviour management for students who are frequently removed from class, such as

- › Use of teaching assistants
- › Meeting with parents
- › Long term behaviour plans
- › Multi-agency assessment

Staff will record all incidents of removal from the classroom along with details of the incident that led to the removal, and any protected characteristics of the pupil in the behaviour log.

### **8.3 Suspension and permanent exclusions**

The school can use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour, which has not improved following in-school sanctions and interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort.

Please refer to our exclusions policy for more information

## **9. Responding to misbehaviour from pupils with SEND**

### **9.1 Recognising the impact of SEND on behaviour**

The school recognises that students' behaviour may be impacted by a special educational need or disability (SEND).

When incidents of misbehaviour arise, we will consider them in relation to a student's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a student's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from students with SEND, especially where their SEND affects their behaviour, the school will balance their legal duties when making decisions about enforcing the behaviour policy. The legal duties include:

- › Taking reasonable steps to avoid causing any substantial disadvantage to a disabled student caused by the school's policies or practices ([Equality Act 2010](#))

- Using our best endeavours to meet the needs of students with SEND ([Children and Families Act 2014](#))
- If a student has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support to prevent these from occurring.

Any preventative measures will take into account the specific circumstances and requirements of the student concerned.

LAMP's approach and ethos is to anticipate and remove triggers of misbehaviour. This is done via;

- Short, planned movement breaks for a student with SEND who finds it difficult to sit still for long
- Adjusting seating plans to allow a student with visual or hearing impairment to sit in sight of the teacher
- Adjusting uniform requirements for a pupil with sensory issues or who has severe eczema
- Training for staff in understanding conditions such as autism
- Flexible timetabling
- Use of separation spaces (sensory zones or nurture rooms) where students can regulate their emotions during a moment of sensory overload

## **9.2 Adapting sanctions for students with SEND**

When considering a behavioural sanction for a student with SEND, the school will take into account:

- Whether the student was unable to understand the rule or instruction?
- Whether the student was unable to act differently at the time as a result of their SEND?
- Whether the student is likely to behave aggressively due to their particular SEND?

If the answer to any of these questions is yes, it may be unlawful for the school to sanction the student for the behaviour.

The school will then assess if it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

## **9.3 Considering whether a student displaying challenging behaviour may have unidentified SEND**

The school's special educational needs co-ordinator (SENCO) may evaluate a student who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a student, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

## **9.4 students with an education, health and care (EHC) plan**

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a student with an EHC plan, it will make contact with the local authority to discuss the issue. If appropriate, the school may request an emergency review of the EHC plan.

## **10. Supporting students following a sanction**

Following a sanction, the school will consider strategies to help students to understand how to improve their behaviour and meet the expectations of the school.

This could include measures like:

- Reintegration meetings
- Daily contact with a key staff member
- Revisiting behaviour contract
- personalised behaviour goals

## **11. student transition**

### **11.1 Inducting incoming students**

The school will support incoming students to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

## **12. Training**

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:

- › The proper use of restraint
- › The needs of the pupils at the school
- › How SEND and mental health needs impact behaviour

Behaviour management will also form part of continuing professional development.

A staff training log can be found in appendix 2.

## **13. Monitoring arrangements**

### **13.1 Monitoring and evaluating school behaviour**

The school will collect data on the following:

- › Behavioural incidents, including removal from the classroom
- › Attendance, permanent exclusion and suspension

## Appendix 4: letters to parents about student behaviour - templates

### First behaviour letter

Dear parent,

Recently, your child \_\_\_\_\_ has not been behaving as well in school as they could.

It is important that your child understands the need to follow our behaviour curriculum, which is set out in the behaviour policy. I would appreciate it if you could discuss their behaviour with them.

If your child's behaviour does not improve, I will contact you again and suggest that we meet to discuss how we can work together. However, at this stage I am confident that a reminder of how to behave appropriately will be sufficient.

Yours sincerely,

I would appreciate it if you could arrange to meet me after school so we can discuss a way forward.

Please call me on 01926 886699 to arrange this.

### Third behaviour letter

Dear parent,

I am sorry to report that, despite meeting and creating a behaviour contract, \_\_\_\_\_ has continued to misbehave.

\_\_\_\_\_ would now benefit from a structured approach to help improve their behaviour in school.

I would be grateful if you could attend a meeting with the headteacher, the special educational needs co-ordinator and myself, to discuss how we can best support your child in improving their behaviour.

Insert details of the meeting time, date and location, as necessary, or how to contact the school to arrange the meeting.

Yours sincerely,
